

## Action Agenda updated outline

### March 25, 2011

The Action Agenda presents the recovery targets for Puget Sound and describes strategies and actions to achieve those targets. Strategies generally are Sound-wide; actions may be Sound wide or based on local circumstances. Some actions are ongoing and some will be new.

- I. Introduction and Overview**
  - What is the Action Agenda
  - How was it updated
  - Changes from 2008/09
- II. Question 1: What is a healthy Puget Sound?**
  - Present summary of the recovery targets with links to the related strategies and actions in Question 3 and 4.
- III. Question 2: What is the status of Puget Sound?**
  - Link to the Dashboard of Ecosystem Indicators reporting
- IV. Question 3: What do we need to do to move from where we are today to a healthy Puget Sound?**
  - Present the long-term and near-term Sound-wide strategies with sub-strategies (includes LO six year strategies where appropriated) (see separate outline)
  - Summarize action accomplishments since 2008/2009 as a lead in to the new near-term actions by sub-section
  - List/link to Sound wide actions plus prioritized near-term actions with performance measures and identified funding (table?)
  - Present Action Agenda/LIO near-term actions with leads (tables?) (performance measures, funding needed)
- V. Question 4: What are the next steps?**
  - Present overall implementation approach
  - Present PSP expected steps with actions (work plans, reporting schedule, etc.)
- VI. Action Area/LIO priority summaries**
  - Summary for each Action Area or LIOs within an Action that includes overall Action Area/LIO priorities, Action Area/LIO contributions to reaching the recovery targets, and shows local actions nested under the Sound wide strategies, plus any additional strategies identified locally.
